Well, it's almost camp time again. These notes will help you get ready for a wonderful camp experience. The POWEROF2YOUTHCAMP will be held at the UNION GROVE CAMPGROUND in Cleveland, GA. Please be sure to review this packing list and notes carefully so you'll be ready for a great camp week.

### **Packing:**

It is time to start planning for what you'll need at camp this summer.

First, be sure to look over the code of conduct that you have signed to refresh your memory about those things that can and cannot be worn at camp. **The dress code applies to both Teen and Junior Camps.** In general, girls must be modest with all skirts, dresses, culottes, etc. being below the knee. Tops should not be tight, sleeveless or bare back. Remember girls, if you have to pull it down all the time – it was too short in the first place. You may wear culottes for activities, but they **MUST** be skirt appearing and **NOT just baggy shorts - gym shorts are NOT a replacement for culottes.** Guys, no shorts; tanks, sleeveless shirts, etc. Also, please, no sweat pants or jeans/pants with holes in immodest places. Girls should wear skirts or dresses to evening services. Guys, should wear 'nicer clothes' – preferably, shirts with collars or shirt and tie. You'll need to pack appropriate swimwear (girls – one piece, no bikinis – guys – modest trunks/shorts). Of course the swimming is gender separate and you'll go dressed to the pool. Please make yourself aware of additional information in your code of conduct! **We have reserved pools for swimming off campus. You will travel to the pool with your swimwear under your clothes. Of course swimming will be gender separated. (Girls may cover up their swimsuit in the pool at their discretion.)**

**SPECIAL ACTIVITY:** This year, we have leased a local water park on Wednesday and Thursday mornings to allow our campers exclusive use of this facility (one day for boys and one for girls). Since this is a public facility (we have exclusive use); girls will be asked to wear a **ONE PIECE SWIMSUIT** and then cover the suit with a **DARK TSHIRT** and culottes. **\*\*\* THE CAMP WILL ALLOW THE GIRLS TO COVER THEIR SWIM-SUIT WITH LONG MALE BASKETBALL SHORTS ONLY WHILE AT THE WATERPARK. PLEASE NOTE THAT THE WATER PARK REQUIRES THE CLOTHING YOU SWIM IN TO BE 'SWIM' STYLE – SLICK FINISH – QUICK DRY MATERIALS (LIKE A SWIM SUIT WOULD BE). THIS IS REQUIRED BECAUSE OF SOME OF THEIR PUMPING AND FILTERING EQUIPMENT. You MUST change at the waterpark and NOT wear the shorts to/from the waterpark!! Boys will be allowed to wear Swim Trunks but must wear a DARK TSHIRT. Note, they must change at the waterpark as well.**

Would you consider a special offering for the Camp? We try to keep the registration as low as possible, but we want to deliver a quality camp week. An offering is received nightly in the service.
